

Dear Admissions Committee,

My name is Ziyang Zhong, and I am writing to express my sincere interest in applying for admission to MS in CS at University of Southern California. University of Southern California's reputation for academic excellence, particularly in the field of CS, aligns perfectly with my academic aspirations and career goals.

Since discovering the fascinating world of CS, I have been deeply committed to contributing to its academic development. During my undergraduate studies, I had the privilege of joining a research group led by a professor at my institution, where I authored a thesis as the lead researcher. This experience not only honed my analytical and research skills but also solidified my passion for CS. Additionally, I completed advanced courses in CS to stay abreast of the latest developments in the field. I am confident that my academic background and dedication will enable me to excel in further studies and research in CS, and I am eager to seize every opportunity to delve deeper into this discipline.

Thank you for taking the time to consider my application. I greatly appreciate your attention and look forward to the possibility of contributing to University of Southern California.

Best regards,  
Ziyang Zhong
